*Producers of Fine Wine*

# Our Story

Dee Vine Estate is a winery established from the traditional family vineyards of Michele and Domenico Scarfone, two brothers that emigrated from Southern Italy in 1956 to settle at Nericon within the Riverina area of Australia.

They planted the first vines on the property the following year with the vision of producing traditional Italian table wine for the Australian wine drinker.

Three generations later Adrian Bianchini and Fernando Rombola have significantly expanded from their grandfathers original parcel of land, but follow the same principles; a passion for fine wine and dedication in producing a remarkably distinctive product.

# *Our Winery*

Our site was founded in 1930 by the Rossetto Family. With many years experience in Viticulture and winemaking, our family owned winery, from past, to present consistently endeavour to provide a heavy emphasis on excellence, quality and service. Now crushing over 35 000 tonnes, majority of which are from our family grown estate vineyards.

# *Our Regional Vineyards*

The Riverina lies in the south-west region of New South Wales. The area consists of low-lying flood plains, warm to hot climate and an ample supply of water through irrigation that is diverted from the Murrumbidgee river.

The Riverina has been growing wine grapes since 1913 and is the second largest wine producing region in Australia. The area yields almost three-quarters of the entire annual wine volume of New South Wales.

The main soil type of the Riverina is red-brown earth deposited by ancient streams in the area. It is in these free-draining soils around Griffith that the Dee Vine Estate Vineyards are planted.

THE DEE VINE ESTATE RANGE CURRENTLY FEATURES NINE BRANDS, INCLUDING THE POPULAR NERICON, ESTATE RANGE, 2 MONKEYS, FORTY FOUR, D-RESERVE, LA SAGRA, THE DROVER, BOSKI AND MOUNT BINGAR

Our D Reserve range embodies the Italian concept of "reserve, reserve" which signifies a product that has been set aside for a special purpose. In the context of wine, "D Reserve" is a term used to describe a higher quality wine that has been crafted with meticulous care, resulting in a truly exceptional taste.

This idea inspired us to create our own D Reserve Cabernet Sauvignon in 2018, a wine that we believed deserved a special place in its own price bracket to reflect the time and effort taken in its production. Since then, our D Reserve range has grown to include three wines: Cabernet Sauvignon, Shiraz, and Chardonnay.. All three wines are crafted by our expert winemaking team using only the finest fruit sourced from the prestigious Adelaide Hills in South Australia, resulting in a bold and unique taste that is smooth on the palate.

Unsurprisingly, our D Reserve wines have been a hit with wine enthusiasts of all ages and levels of experience, thanks to their exceptional quality and attention to detail. Whether you're a seasoned wine connoisseur or simply looking for a truly special wine to enjoy on a special occasion, our D Reserve range is sure to impress.

# The DROVER

Our Drovers range was named after the intrepid drovers who would move their flocks of sheep from vineyard to vineyard, allowing them to graze beneath the vines during the arid months of the year. This rugged and adventurous spirit is reflected in the character of our wines, which are designed to capture the essence of the Australian Outback.

Bold and robust, The Drover is a classic wine that embodies the rugged beauty and untamed spirit of the land. Crafted from carefully selected grapes, our winemakers use traditional techniques to create rich, complex flavors that are sure to leave a lasting impression on your palate.

Whether you're enjoying a glass of The Drover after a long day of work or sharing a bottle with friends around the campfire, our wines are the perfect accompaniment to any occasion. So why not raise a glass to the adventurous spirit of the drovers and enjoy a taste of the Outback with our Drovers range?
