VINTAGE CONDITION

A mild spring and good growth of the canopy protected the fruit from the hot summer this season, producing rich ripe fruit this vintage. Harvested in early March, when the baume was 13.5, fermented in stainless steel tanks and left to mature on French Oak.

TASTING NOTES

This flavourful Prosecco has a fresh, delicate creamy texture with a soft, fruity fragrance. It is deliciously dry, balanced with soft fruit flavours of crisp green apple, white peach, and ripe pear. It is an absolutely refreshing and enjoyable sparkling wine suitable for informal gatherings or that special occasion
